

Hello!

I'm Michael
from PaddleBoat
and I'm sat here
with Katy who is
using BSL to
interpret what
I'm saying.

Thanks to Arts
Council, Exeter
City Council and
Santander,
PaddleBoat have
funding to start
creating a new
show.

We normally
create our
shows in
collaboration
with our
audiences, for
example, this
term we had
planned to go
into schools

around Devon,
to deliver
workshops with
children about a
magical shop
that makes
dreams. We
normally work
with children to
play with that

theme, pull it
apart, explore
and put all those
ideas back into
our new show.

But because of
coronavirus,
we're having to
adapt our plans!

the title of our
next show will
be Dream Maker
it's going to be
an inclusive
show - including
gentle
interaction, sign
supported

english and
moments of
sensory
engagement,
similar to our
recent
production of
Hansel and
Gretel. So to
make our new

show we need
your help.

We haven't got
very far in
developing our
show - in fact
we've not even
had one
rehearsal - All

we have so far
is a title, a poem
and the idea to
explore dreams
and aspirations.
Over the next
few months
we're asking you
to create with
us, as we make a

play together in
lock down. We'll
be sharing
videos on our
website and
facebook asking
for you to get
involved with
activities.
Something

creative you can
have a go at in
your home with
brothers and
sisters and/or
parents/carers.
We'll need you
to share your
ideas with us
and help us

create our new
production!

Activities range
from helping us
to design the
set to creating
characters and
story and much
more.

We can't wait
to see your
creations and
make a new
show with you!
We'll upload the
first activity
soon but in the
mean-time have

a look at our
mood board
below with all
our current
ideas for the
show: There will
be some
pictures, some
music, some
poems and other

things to read
and watch - to
get your
creativity
flowing.

Please let us
know if we can
do anything
more to help you

access this
content. See you
all soon Bye!
